

Property Management Firm Makes Christmas Special

Hampton, VA - December 7, 2011

A Peninsula family in need gets some extra help this holiday season, thanks to the personnel of [Harrison & Lear Inc., Realtors](#).

"What started out as an idea to help a family turned into an entire Christmas for a single mother and her three kids. Our Managers came together, gathered the help of our onsite maintenance, housekeepers and assistant managers to make this happen" said Mike Kwiatek of Harrison & Lear.

Staff members of Harrison & Lear donated several gifts, and on Wednesday December 7th dropped them off at the Salvation Army location in Newport News.

"We had talked it over and thought that this year that we could help someone else," says Melissa Klester, who helped donate.

"We wanted to help other people who are in need and have struggled," says Mike Kwiatek

Kwiatek says he's thankful to his employees for all the people who contributed helping the sponsored family have a Christmas.
